         A
              Not necessarily.
              To be entitled to a refund for a

   dividend withholding tax, did SKAT require
17
    there to be a certain number of days between

    trade date and settlement date?
19

              So if the shares are purchased on
   or before the date of the annual general

              So if the trade date is before the
